## Back To School

### Banners!

These **All About Me banners** are a great way to get to know your students during the start of a new term! Have each student fill one out, and fill one out for yourself to let them get to know you better too!

There are three **Todo Sobre Mí** templates to choose from in this packet! Allowing your students to decorate and share a bit of their personalities is a great way to build a positive classroom atmosphere.

Create a bulletin board display with their completed banners, or string them up to decorate your classroom! Consider extending the lesson by allowing time for students to present their banners and practice their speaking & listening skills!

I hope you enjoy using these templates with your students! Your positive feedback makes my world go round; please consider leaving a positive rating if you enjoyed these templates!

Enjoy your school year!
